

Portugal is committed to a policy of trust and transparency.

During the outbreak of pneumonia by the new Coronavirus – COVID-19 the Portuguese government has been taking all necessary public health measures to protect the entire population, and is currently in the 3rd phase of the reopening plan, which started in May. The analysis of the evolution of the outbreak is constant and implementation of new measures will be carried out whenever necessary.

Economic activity resumed little by little and with well-defined hygiene and safety rules and protocols, allowing companies to operate and the access of citizens and tourists to goods and services.

### **We are ready to receive you!**

- We occupy the 3rd place in the Global Peace Index of 2020;
- Turismo de Portugal, awarded the “Clean & Safe” seal to companies related to the tourist activity that comply with the recommendations of the General Health Directorate to avoid contamination of spaces with Covid-19. Lisboa Camping & Bungalows is one of those establishments. Check all locations at: <https://portugalcleanandsafe.com/en>;
- We were the first European country with the “Safe Travels” seal awarded by the World Travel Tourism Council.

To be a little more relaxed, you can also register on the platform [www.portugalhealthpassport.com](http://www.portugalhealthpassport.com), which aggregates the entire offer of private medical services made available to tourists.

**However, none of these measures prevent you from benefiting from all the emblematic places in Lisbon or from our gastronomy! Our stores and shopping centers are open, as well as restaurants, museums, palaces, theaters, among other places that may be of interest.**

The Metropolitan Area of Lisbon is now be in a state of contingency, with the Government decreeing more restrictive containment measures:

- Mandatory home or hospital confinement for people infected with Covid-19 or subject to active surveillance;
- Gatherings limited to 10 people;
- Prohibition of consumption of alcoholic beverages in outdoor spaces;
- Prohibition on selling alcoholic beverages in service areas and petrol stations;
- Most commercial establishments must close at 8pm;
- Hypermarkets and supermarkets can remain open until 10pm, but cannot sell alcohol after 8pm;
- Restaurants can operate beyond 8pm for on-site meals (both inside establishments and on licensed terraces), take-away or home delivery;
- No closing time is imposed for fuel supply services (they can operate 24 hours a day exclusively for the sale of fuel), pharmacies, funeral homes, sports equipment, clinics, offices and veterinarians.
